Degree for William McNatt

September 2nd – 7:00 PM Stated Meeting

From the East

Brothers

What a good day to writing to you. It seems like years and years have past since we have had such beautiful weather. Ha ha ha..... I hope the reason I haven't been seeing most of you at practice or meeting nights is because of the heat... Honestly, I almost couldn't blame you. It has been down right miserable. I think this time of year can be more depressing than the rest due to the unnatural boredom that comes with not wanting to go outside. You face a lot of time stuck in the faces of your families, pets and well, yourself. You spend hours flipping channels, watching movies, making phone calls or dashing outside for 20 minutes at a time to get a little yard work done. I think I have put on every pound I lost over the spring.

But what have we really accomplished? For me, it was absolutely----ZIP! If you're like me, you've become lazy. Well if this is the case, I have just the thing for you to ponder. Masonry still has tons of opportunities for us to pass the time and get away from lazy habits. I know a lodge that needs some small repairs and upkeep. There is also a lodge that was taking volunteers to help the younger members learn ritual and Brother Walsh was telling me that one of the lodges he visits quite regularly was putting on a fund raiser that has to do with shooting skeet or something like that. The name of this lodge is, yep you guessed it, Trinity Lodge #694. We are moving forward to the end of the hellish summer and beginning to enter the fall and with this, drum roll please, DEGREE WORK... Let's please remember that we have obligations to ourselves and brothers and show up for practice. Also I am asking for all who might have even a little time on our hands to go to lodge on your own, pick a project that fixin, and fix it or clean it. LASTLY my brothers, Get with Brother Walsh and let's help him have another successful trap shoot.

Get out of the hot, and into the fire, the fire that burns for Masonry.

Anthony Francis, Worshipful Master
