Andy Phillips and
Todd Parent

February 26th - 6:30 PM - Fellowcraft
Adam Owings and
Josh Webb

March 4th – 7:00 Stated Meeting

From the East

Brothers,

I want to first thank again Brother Mike Rushin on a wonderful year as Worshipful Master, and for passing me the torch of friendship, morality and brotherly love.

This year I would like Trinity Lodge #694 to reach back into a time where members used to come to lodge and be taught about the craft. A time where you could be asked questions about masonry and actually gives educated answers.

I know for me, Masonic education is a necessary tool for me being Worshipful Master. Masonic education may actually give some more of a reason to come to Lodge and be an active member.

Secondly, I would like Trinity Lodge #694 to be a leading Lodge in the battle to obtain new members. We are off to a great start with a Master degree on the 29th of January and two Fellow Craft Degrees for the 19th and 26th of February already scheduled. We also have younger masons working hard on their respective lectures. I feel confident that each and every Officer of the Lodge and the sideline sitters, when asked, can pass on a petition for masonry. Each time we see an opportunity to say something good towards the men of Trinity Lodge #694, we are sparking interest to potential masons.

Thirdly, dig deep into your hearts and grab a hold of God's most charitable muscle. With education at the forefront this year, we must not forget that we are men for all mankind. I want each of you to think of a way we can give to the community around us. It is very important to me that we are seen as men who care, and men who like their neighbors.

Thank you for your virtues,
Anthony A. Francis
Worshipful Master, Trinity Lodge #694

From the Secretary

The Trivia Question this month is what part do Plato and Aristotle play in our degrees?

The Lodge is in need of a letter/paper folding machine to fold the Trestleboard you are now reading. If you know where we could acquire one cheap please give the secretary a call or an email.

Bob Winchester
Secretary – Trinity #694
