From the East

Brethren,

I count it a privilege to serve this Lodge as Worshipful Master for the ensuing year. I am also very thankful and honored for being designated one of two Pillars of Solomon award recipients for 2006. I want to congratulate our junior PM Waren

Risner on a job well done, and thank him for his service in 2006.

I truly believe that our Lodge is in an advantageous position for the upcoming year. I cannot remember a time in my short Masonic career when our Lodge had such a good blend of Wisdom, Strength, and Beauty. The Wisdom of our veteran members mixed with the Strength of the younger blended with the Beauty of our Brotherhood will advance the good interests of Masonry in our communities. Trinity Lodge #694 will be a positive and productive force in Freemasonry this year. The officers and I have assembled a framework of desired plans on which to build the Temple of tomorrow. Let this be the year that we lay the cornerstone for the future of our Lodge. Let us work together in the spirit of Brotherhood to advance the interests of our beloved Fraternity.

We will have two Entered Apprentice Degrees and one Masters Degree this month. So, plan on attending and

welcoming our new Brothers into Trinity Lodge.

Fraternally,

Michael S. Rushin, Jr. PM

Worshipful Master 2007
