From the East

Brethren,

Sorry for being late. . .

After some much needed rest and refreshment, the Lodge is back to work in June. We have an Entered Apprentice Degree scheduled for June 26th. We would like to have a large crowd, so come out and support the Lodge.

Congratulations to our new 50-year members: D'Arthur Ridens and Bob Book. The meal was excellent, and the fellowship was better with good representation from other Lodges. I was pleased to extend the privilege of presenting the 50-year pins to P.M. Karl

Kimball and the Potentate of the Scimitar Shriners, Ill. Sir Ron Kupers.

A few days after our stated meeting, I received a request for two petitions for Masonry. Hopefully, we will have a couple of more E.A. Degrees in the month of July.

A big thanks to S.W. Tony Francis for bringing in a number of sponsorships for the Trap Shoot. Tony and I presented \$500 worth of sponsorships to the Lodge, and Tony has approximately \$800 more "in the wings." Please keep Bro. Francis in your prayers as he embarks on another tour of duty serving our country. Fortunately, he will be on a good-will mission to Central and South America on a Navy vessel. Their mission is to instruct local physicians on surgical techniques. Tony stated that they are to see approximately 85,000 patients on this tour.

Mary Williams Lodge will be hosting a district wide St. Johns Night on Monday, June 25, 2007 with dinner beginning at 6:00 PM. We will participate in this endeavor in order to observe St. Johns Night.

Look forward to seeing you at the Lodge!

Fraternally,

Michael S. Rushin, Jr. PM

Trivial Pursuit

A couple of months ago Brother Graz provided the trivia question which was: "Who is the Pastor of the Lodge?"

The Pastor of the Lodge is the Worshipful Master!

This month the trivia question is: What are the dates established by the Digest for observing St. John's and what are the exceptions?
